

Inaugural Canada Day Bantam Challenge

The **Okotoks Dawgs** Bantam teams with the support of **Baseball Alberta** are hosting the **Inaugural Canada Day Bantam Challenge** from July 1-4. The tournament, which will offer a 5 game guarantee and top level competition, is designed to help promote baseball amongst Bantam age players. Every team will receive tickets from the Okotoks Dawgs Western Major Baseball League team for our Canada Day game, which will draw upwards of 3,000 fans and will be followed by a fireworks show. The players will get to see some realistic possibilities like playing in the WMBL and hearing from some of the collegiate players about how they got where they are now and hopefully give these players some goals to aim for. We are really excited about this tournament for more obvious reasons than top notch play and 5 games guaranteed.
